

Reviewer Acknowledgments

As a UM reviewer of a proposal for a program managed by, or on behalf of, ORSP Research Development, I affirm that I have a signed *Conflicts-of-Interest and Confidentiality Statement for Proposal Reviewers for ORSP* document on file with ORSP Research Development. I have recently (re)familiarized myself with the reviewer responsibilities described therein, and understand them to apply to this competition. <http://research.olemiss.edu/sites/default/files/ORSP-Reviewers-COI-Statement.pdf>.

Or, if I am a non-UM individual reviewing at the request of UM ORSP RD, or for a third party on behalf of UM ORSP RD, I affirm that I have a separate agreement in place to identify conflicts of interest; protect the confidentiality of applicants, proposal content, reviewer identities, and the review process; and refrain from using any UM insider information for the benefit of myself or others.
